

Cromer has welcomed walkers since Victorian times, fresh air and huge panoramas of land, sea and sky make us the ideal walkers destination.

WALK Cromer

We are the gateway to a wide variety of trails and paths.
When walking is done, we have a great range of places to stay, shop, eat, play and rest.
There are excellent year-round public transport links, so leave your car behind, stay in an historic “Walker Friendly” town and enjoy a super walking break!

Spot our Walkers Are Welcome window stickers around the town for friendly businesses & accommodation providers.

WALKCromer

Cromer is the ideal base for walkers, it links to a wide range of long distance trails and has good public transport services which will enable you to branch out further. Just a few miles inland, the historic market town of Aylsham is also a Walkers are Welcome Town.
